Course Registration Instructions

Students should register for 8 total courses. For most students this will be an English course, a Math course, a Science course, a Social Studies course, Health and PE and 3 electives. If a student is taking two math courses, they would then choose 2 electives. All students must register for 5 alternate electives. Alternate electives should be chosen carefully as often students do not receive their primary elective choices and are placed in one or more of their alternate selections.

Electives:

Choose 2 to 3 Primary Electives depending on your Core Course Total and then choose 5 Alternate Electives.

Mark your primary choices with an X and alternate choices with an A
