Principles of Business & Finance

Career Cluster: Finance
Prerequisite: None, Grades 9-12
Course #: BF10

Student Benefits

Enjoy this Finance Career Cluster course which is designed for high school students. It will teach you the language of business and finance. Begin your finance journey here with a goal to complete four CTE credits with a GPA of 3.00 or higher. Once you reach your goal, you will be eligible for our National Technical Honor Society (NTHS) at Leesville.

Course Description

This course introduces students to the exciting and challenging world of business. Current events are connected to communication skills, information management, business operations/management, economics, financial analysis and marketing. Creativity, collaboration, critical thinking, and communication are highlighted through the course when students work on projects. It will serve as a prerequisite to more advanced finance courses at Leesville Road High School such as Accounting I & II, Business Law (Honors), and Entrepreneurship I (Honors).

Course Goals

- Locate and analyze information
- Apply business math skills in real world scenarios
- Foster a realistic understanding of business ethics and leadership
- Stress importance of interpersonal skills with small group work
- Enhance teamwork skills

Materials Needed

- Daily Loose leaf notebook paper
- Pens and Pencils
